

## MC at 10:30

Before	<p>Wear a cassock and cotta. Check amplification is switched on. Find stick-shaped radio mic—handling it is your main job. Check that it works by switching it on and tapping it, listening for sound from the loudspeakers.</p> <p>Carry your mic everywhere (two mics in Advent), staying near the Deacon. Switch the mic on for each use and off afterwards.</p> <p><i>Point the mic (like a torch) at the speaker's throat, from about 10 cm away.</i></p>
Process in	<p>Follow Acolytes in the procession across the Communion Rail. Bow to altar. Process into the Lady Chapel. Stand near the screen, within reach of the Deacon.</p>
Altar prep	<p>Walk two paces behind Crucifer in procession; bow at communion rail. Stand by the credence table at the right of the altar, ready to help President.</p>
Hymn	<p>Follow Subdeacon to the lectern. Sit on the bench near the lectern.</p>
Gospel	<p>Walk two paces behind Crucifer to the centre of the church. Stand to the left. Hold mic towards Deacon so that the Gospel reading is audible. Avoid collisions as Deacon censes book beforehand, and elevates it afterwards.</p>
Sermon	<p>Walk two paces behind Crucifer to the chancel steps. Sit on a bench.</p>
Creed	<p>Stand and face the altar like everyone else. Genuflect (right knee on the floor) during the sentence "<i>And...was made man.</i>"</p>
Prayers	<p>Follow President to the centre of the church. Stand to the left hand side again; be ready to hand the mic to the Deacon.</p>
Hymn	<p>Follow President; bow at communion rail; stand beside credence table. Put the mic on the table so that both your hands are free to help the President.</p>
Oblations	<p>Receive jugs from President (with a bow), put them on the credence table.</p> <p>When President has censed the oblations, he should wash his hands in the frilly bowl. Either make room for President to wash at the credence table, or (ideally) drape the towel over your arm, hold the bowl and jug, and pour water through President's hands into the bowl, and wait while he uses the towel.</p>
Communion	<p>Stand by credence table to receive communion or a blessing, then get out of the way: sit on the side seat, or stand in the corner.</p>
Blessing	<p>Provide mic for the Deacon to say <i>Go in the peace of God</i>. Leave the sanctuary while the President kisses the altar; process out two paces behind Crucifer. Stand on right hand side of the Lady Chapel for final prayers. Follow Subdeacon in procession to communion rail; bow to altar; exit to Sacristy. Put the mic (switched off) in the drawer marked "microphones".</p>
